ENROLLMENT AND ADMISSION PROCEDURES

ELIGIBILITY

No person will on the basis of race, color, creed, national origin, disability, marital status, religion, age or sexual orientation, be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination under any YMCA program. YKids programming offers services for children 5 to 12 years of age (participants must be potty trained). Y Kids programming is provided in a group setting. The YMCA is unable to provide individualized care for those needing special assistance.

INFORMATION PACKETS

At the time of registration, you will be given a packet containing many important forms. **These will need to be completed and submitted before your child is officially enrolled in the YMCA Y Kids Club program.** Your child's file will contain a registration form, emergency contact form, physical examination consent, prescription consent, non-prescription consent, field trip consent, and photo release form. Packets will be updated annually. Additional changes in information needs to be reported immediately. In the event your child comes down with a communicable disease, you are required to notify Y Kids Club center. All records are kept confidential and are disclosed only to parents/guardians, child care staff, law enforcement officers, or other constituted agencies as required. When behavior reports are issued, the names of other children involved will remain confidential.

BEHAVIOR GUIDANCE

At the YMCA, we believe that guidance is something that should be positive and approached in a fair and caring manner, consistent with the developmental needs of individual children. Clear behavioral limits are set and modeled and reasons for guidelines are explained. We encourage children to develop self control and to handle conflicts in peaceful, effective and acceptable ways, protecting the safety of both children and staff. Positive behavior is reinforced in order to discourage inappropriate behavior. We focus on the Character Values of Caring, Honesty, Respect, and Responsibility. Redirection away from problems and toward constructive activity, as well as immediate and directly related consequences for a child's unacceptable behavior, are used as the situation warrants.

As with any group activity, the inappropriate behavior of a few children can spoil the experience for the entire group. If persistent unacceptable behavior continues, we consult the parent/guardian. Open communication between the Y Kids Club staff and the parent/guardian is valued and conferences will be scheduled as needed. A plan to address the inappropriate behavior will be developed. In accordance with the severity of the behavior, a child may lose the privilege of participating in a specific activity and/or be suspended from the program. If efforts made by the family, child and staff fail to modify the behavior, and/or the behavior puts other participants, staff, or the child at risk, the YMCA reserves the right to dismiss the child from Y Kids and any other YMCA programs without further notice. The Y also reserves the right to deny enrollment of children who have been dismissed from a Y program into future programs until such time as the parent/guardian can show that the child no longer poses a threat to others and/or self.

Participants can be removed from the program based upon inappropriate behavior of parent or guardian.

INCLUSION SERVICES

The YMCA offers recreational programs. Although your child's growth and development is our top priority, we do not offer therapeutic levels of intervention or reporting. Progress notes should not be expected as they are outside our scope of services. We are not providing clinical levels of intervention. We do provide fun experiences in a safe and healthy environment.

Our YMCA welcomes participation by children of all abilities. The Y provides a recreational environment for children and teens with and without disabilities through added support staff, when needed, to facilitate successful participation in the programs, when appropriate. Parents/Guardians of children with specialized educational documents will be contacted by the director at the Bedell Family YMCA.

You must submit a current IEP/BIP/504 Student Accommodation Plan and complete the Inclusion information forms before program participation is authorized. Enrollment will NOT be considered final until all required processes have been met and reviewed. Although every effort is made to provide reasonable accommodations, there may be instances where a child's needs may exceed the parameters of the scope of our program.

The center will try to make reasonable accommodations for children under the Americans with Disabilities Act, if requested.

REGISTRATION/FEES, TUITION, AND ATTENDANCE

All registration packets must be returned before a child is considered registered for the program. Without being registered, your child will not be accepted into the program. For current fees and rates please see the Program Director.

DROP OFF AND PICK UP

Parent/Guardian **MUST** accompany children into the child care site each day. This must be an adult, over 18 years of age. Children will not be let into the child care site before posted hours of operation. If someone is picking up your child other than a listed pick up person you must let us know in advance. If there is a shared custody arrangement in place, the parent registering the child must take the responsibility to ensure this is in accordance with his/her specific court agreement. A copy of the court agreement must be provided to the center to ensure accuracy. If a parent is not listed as a pick up person, and said parent contests the same, he/she will not be allowed to pick up the child until the parent registering the child gives approval. If the contesting parent can offer proof that he/she is indeed the legal parent or guardian and has legal right, we will allow the parent to pick up the child and to submit his/her own pick up permission form. The YMCA is not responsible for resolving concerns or disagreements between parents/legal guardians regarding pickups. If an individual picking up a child is unknown they may be asked to show ID. The YMCA provides transportation for fieldtrips on in-service days and during the summer. The cost of field trips and transportation will be paid by the parent or guardian. **We cannot release your child to a sibling or relative under the age of 18.**

PAYMENTS

The Bedell Family YMCA requires weekly program fees be automatically withdrawn from a personal checking or savings account. Weekly deduction will begin after your child's first week of service if prepayment is required. If prepayment is not required the draft will start on the first week of care. Fees will be drafted from your account every Thursday and cover care for that week. In the event there is no billing on a Thursday due to a holiday or other circumstance, accounts will be drafted on Wednesday or Friday. If your payment information changes at any time please visit Bedell Family YMCA Front Desk to complete a new Program Direct Draft Authorization Form.

Your membership status at the time of registration determines the fee for the program. If your membership status changes while utilizing the Y Kids program your weekly fees will be adjusted accordingly. If you have questions regarding a payment, you should contact the School Age Director.

Each dishonored or returned bank draft will have a \$25.00 return service fee attached to its redeposit Amount. The YMCA reserves the right to withdraw again 5 days from the return notification along with a \$25.00 return fee. You will be notified by phone before the withdrawal is made.

FINANCIAL ASSISTANCE

If you are experiencing a financial burden at this time, we ask that you communicate with us as quickly as possible as we have several options available to help you financially.

Applications to utilize the community support dollars that can cover up to 50% of the cost of programming are available at the front desk(s) of our facilities. We will make sure your application is processed quickly and confidentially.
- Department of Human Services (DHS): under certain circumstances you may be qualified to receive DHS dollars for child care, please contact Dickinson County DHS at: 1802 Hill Avenue, Suite 2401 in Spirit Lake, Phone 712.336.2555. State of Iowa DHS Phone is 800.972.2017.

*If you are planning on utilizing state funding, a child is only eligible to start using Y Kids once all the necessary paper through the state has been completed and an acceptance letter has been received by the director. If these arrangements have not been made ahead of time you will be charged the appropriate weekly rate and the funds will be drafted from your account weekly.

LATE CHARGES AND PENALTIES

If your child is picked up after closing time, you will be charged \$5 for the first 10 minutes and \$1 for every minute thereafter. If your child has not been picked up 15 minutes after closing and you have not made contact with the child care staff or YMCA personnel, the child care staff will begin calling your emergency contacts to pick up your child. If you are an hour late, and no contact has been made with you or emergency contact person, the police will be notified so they can assist in finding you. Timing is determined by a time piece at the child care site and any calculations of time by YMCA personnel is deemed to be correct and final.

Fever:	Must be fever-free for 24 hours with the exception of an ear infection. In the case of an ear infection, the child may return after treatment of antibiotic has started.
Vomit:	Must be vomit-free for 24 hours.
Diarrhea:	Defined as an increased number of stools compared with the child's normal pattern, with increased watery stool and/or decreased formed consistency that cannot be contained by the diaper or toilet use. The child cannot return until he/she has had normal stools for 24 hours. If it is determined that the diarrhea is caused by medication or teething, the child will not be asked to leave the center.
Pink Eye:	24 hours after documented treatment for conjunctivitis has begun.
Mouth Sores:	Must have a doctor's note stating that the child is non-infectious.
Rash:	With any rash, whether or not accompanied by a fever or behavior change, the child cannot return without a doctor's note stating that the illness is not a communicable disease.
Infestations:	Cannot return until 48 hours after treatment has begun or at the Director's discretion. Infestations may be head lice, scabies, etc.
Impetigo:	Cannot return until 48 hours after treatment has been initiated.
Strep Throat:	Cannot return until 24 hours after documented treatment has been initiated. The incidence of a communicable disease at the center will be posted at the check-in desk as well as on the door of the infected room.

COMMUNICABLE DISEASES

Children with a communicable disease will be allowed to attend as long as they are physically able to do so and so long as their presence does not create a substantial risk that others will become infected. The term "communicable disease"; means an infectious or contagious disease spread from person to person or animal to person. Once administration, in conjunction with the health officials decide the child's condition poses a health threat to others the child will be excluded from attendance for the duration of the period of contagion. In extreme cases, the child will be sent home. In order to prevent the spread of communicable diseases to other children and staff, parents should use their good judgment in keeping sick children home.

MEDICATIONS

All medications brought to the site, both prescription and nonprescription, must be given directly to child care staff. Medication must be in the original container and labeled with your child's full name. Medication brought in any other container will be sent home immediately. Forms can be obtained from your Program Director. Instructions on the form must match the instructions on the container exactly. For long-term medication, a new medication sheet must be filled out every 30 days. Completed forms will be retained in your child's file. Nonprescription medications are also included in this process.

Topical ointments, creams or lotions may be administered without a doctor's note, provided the staff has detailed written instructions. These directions must include: whether the staff or the child is to apply the medication, the amount to be administered, the area to be covered, and the time the medication is to be applied. Some examples of these medications may include:

Staff will not release a child until an authorized individual has arrived to pick up the child. However, if a legal guardian comes to pick up a child, and no court order is on file restricting pick up, the child will be released to the legal guardian.

Written notice is required 2 weeks prior to the end of the month in order to cancel a child's registration or change the payment information. Please visit the Bedell YMCA Front Desk for a program cancellation/change form.

CHILD AND SEXUAL ABUSE POLICY

The Camp Foster YMCA Association has well developed policies regarding the protection of children while in our care. These policies have been developed with guidance from the YMCA of the USA. Please be aware that all employees are subject to criminal background checks, and no one, while employed by us, is allowed to perform private child care services for members, campers, or program participants unless they have filled out the staff baby sitting policy previously mentioned. We will encourage all parents to report any suspicious activity to a professional staff member. Our complete staff code of conduct and policies regarding this subject are available to anyone upon request.
